

## TO WHOMSOEVER IT MAY CONCERN

Guardians of Dreams Foundation is a non-profit organization that works to improve the lives of children across Children's Homes in the country.

This is to certify that R Varshini has volunteered with Guardians of Dreams from July 2019- May 2020 in the Education Team of our Bangalore chapter. During this time she was involved in the After-School classes for children at a Children's Home.

She performed her role with dedication and commitment, proving to be a valuable addition to the organization.

Sincerely,

Gloria Benny
