Welcome to IIPR

Indian Institute of Psychology and Research (IIPR) is a premier college in Bangalore that offers postgraduate courses in Psychology and undergraduate courses with Psychology as one of the major subjects alongside other multidisciplinary subjects such as Commerce and Social Work. The college is affiliated to Bengaluru City University (BCU) which is one among the universities trifurcated from Bangalore University. IIPR was established in 2004, with the objective of bringing together passionate academicians, practitioners and students, offering them a platform for serious academic pursuit and research initiatives in the field of Psychology and other disciplines of Social Sciences. The outcome of this endeavor has been quality contributions to the various interdisciplinary fields of Social Sciences and outreach programmes for the well-being of the society which has been aptly reflected in IIPR being accredited by NAAC in the year 2022, with B+ grade in the first cycle of accreditation.

Management and Governing Council of IIPR

IIPR is managed by Franciscan group of fathers belonging to the Order of Friars Minor (OFM) - a Catholic religious order. IIPR is a unit of one of their Non-Profit Charitable Society Sarvodaya Seva Sangha (SSS) established in the year 1967 in Bangalore. Inspired by the founder of the OFM congregation St. Francis of Assisi, SSS has been reaching out to the deprived sections of the society, rendering its services to people all over India through various institutions, support centers, programmes and initiatives.

Day to day operations of the college is managed by the Governing Council of IIPR which has eminent members from the board of management, qualified academicians & practitioners with vast experience, industry experts and nominees from the academic council of the university. The vision, planning and meticulous execution of the various initiatives has made IIPR one of its kind for quality education.

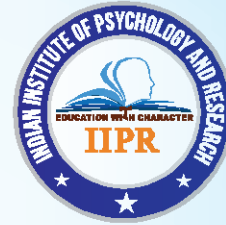

Vision and Mission of IIPR

Vision

Education with Character – Igniting Minds, Illumining Society.

Curriculum, Teaching, Evaluation and Results

IIPR follows the curriculum of Bangalore City University for undergraduate and postgraduate courses. The course curriculum is one of the best in the country, frequently revised and updated by eminent academicians. The faculty use hands-on methodology in teaching and training students making learning an experiential process. The teachers aim to play the role of educators and mentors going way beyond the traditional methods of imparting knowledge. Students are encouraged to forge their path, take legitimate risks, make mistakes and learn, ask questions and find answers thereby promoting a scientific temper.

The academic fervor, the quality of teaching and learning processes bear witness to the astonishing results that the students have been procuring in university examinations. On an average close to 90 percent of our students secure first class distinction results with an equally high number of 'exemplary' results. Students of the Post graduate courses have been securing nearly 7-8 ranks out of the 10 ranks awarded in the university examinations.

Value Added Programmes (VAP)

In addition to the prescribed curriculum, IIPR offers Value Added Programmes that are incorporated into the campus life with one hour every week dedicated for the same to promote well-rounded and holistic growth of the students. It offers a platform for students to foster leadership, teamwork, event management skills and provides opportunities for display of a wide array of their skills and talents.

- Extra Curricular Activities (ECA) such as Cultural, Sports and Literary activities.
- Current Affairs (CA)
- Academic Enrichment Programmes (AEP).
- Weekend certificate courses are available for advanced learners
- Students are given extensive support and encouragement to attend and present papers at workshops, seminars, symposia and conferences to facilitate better learning and placement opportunities.
- VAPs and AEPs are intended to make the students abreast with current affairs and latest developments in the field of their interest.

Outreach Programmes

Adhering to our vision of '*Igniting Minds and Illumining Society*' students are guided to reach out to the deprived sections of the society through field visits and extended activities by organizing awareness drives, short workshops, counselling services etc.

Student Assistance Programmes

- Bridge courses, remedial teaching, mentoring and other student assistance programmes are offered to those students who require additional personal attention.
